# WELCOME TO JAGRITI

We are a movement born from the heart of Bharat, driven by the spirit of **Udyamita** - an entrepreneurial mindset that believes in building, creating, and thriving.

In Middle India, home to 800 million across Tier 2 and 3 districts, Jagriti empowers people to turn dreams into livelihoods, moving beyond charity to sustainable change. It's about giving communities the tools to shape their own futures. Through collaboration with governments, corporates, and institutions, Jagriti inspires local entrepreneurs to rise and communities to thrive. Flagship initiatives like **Jagriti Yatra** and **Jagriti Enterprise Center, Purvanchal (JECP)** bring this vision to life.
